

NAIDOC- National Aborigines and Islanders Day Observance Committee.

Australia celebrates Naidoc week with the theme **Always Was, Always Will Be.**

*Always Was, Always Will Be. recognises that First Nations people have occupied and cared for this continent for over 65,000 years.*

In kinder we have explored indigenous activities to support the children's growing awareness of our indigenous culture and respect for cultural diversity. Here are some photos of what we have been doing.

### Literacy and fine motor development

Creating name signs has supported children's

- literacy skills – recognising their name, early understanding of upper and lower case letters, putting letters in order to write their name.
- concentration- following a process
- fine motor skills- using scissors to follow a line, holding a brush
